Product Specification for Promark 8 GB RAM Mini PC						
विनिर्देश   Specification		उप-विनिर्देश   Sub-Spec		मूल्य   Value		
Description		Description of Store		Mini PC consist of a Desktop CPU with a power button and speakers, and necesarry connection cables and power adapter with 1 year standard warranty		
Processor		Processor Number		Intel Core i5-12500T		
Graphics		Graphics Type		Dedicated/Discrete		
Operating System		Operating System (Factory Pre Loaded with Certification)		Windows 11 Professional		
		Recovery Image Media		Stored in Partition of the SSD		
Memory		Type of RAM		DDR4		
		RAM Size (in GB)		8		
		Memory Slots		2 DIMM		
		RAM Expandability up to (in GB)		64		
Storage		Type of Storage Drive		NVMe SSD		
		Capacity of Storage Drive (in GB)		512		
Connectivity and Ports		Type of Wireless Connectivity		Wi-Fi 5 (802.11ac) + Bluetooth 5.0		
		Number of Ports (Front and Rear)		1-USB 2.0,1-USB 3.0,1 RJ-45 (1 Gbe Ethernet port),1 HDMI,Power Cord Connector		
		Availability of Speaker		No		
		Availability of Microphone		No		
Cabinet		Cabinet Form Factor		Ultra-Compact (0.5 to 1.5 Liters)		
		Availability of Vesa Mount Kit		No		
Power		Maximum Power Consumption in fully Operating Mode (in Watt)		120 to 150		
Operating Consitions		Operating Temperature (in degree Celsius)		10 to 45		
		Operating Humidity (%RH)		10 to 90		
Certification		BIS Registration under CRS of MeitY		Yes as per IS 13252 (Part 1)		
		BIS Registration Number		97001600		
		ROHS Compliance		Yes		
		Availability of certification for Environmental Management System with manufacturer		Yes. As per IS/ISO:14001		
		Compliance of Information Security, Cybersecurity and Privacy Protection-Information Security Management Systems Requirements		Yes. Complies as per IS/ISO/IEC 27001: 2022		
		Availability of EPR Registration in respect of the manufacturer as pper E waste rules as amended up to date		Yes		
		Agreed to provide a copy of EPR registration certificate to buyer on demand		Yes		
उत्पाद का बीआईएस लाइसेंस   BIS license of the product: 97001600

नियम और शर्तें   Terms and Conditions						
1. Special terms and conditions- Version:2 effective from 28-07-2025						
1.1 Buyers:						
1	Product Verification	A unique device serial number shall be provided by the seller at the time of supply, which is mentioned on the product. The buyer/consignee shall be able to verify the complete product details, including configuration, through the OEM website. The buyer/consignee should be able to perform these verifications without needing to create an account on the OEM website.				

2	Operating System	<p>I. There is no requirement that the OEM of the Mini PC should be a device partner of Microsoft or hold a valid authorisation from Microsoft</p> <p>II. Microsoft OS may be sourced directly from Microsoft by OEMs holding device partner status, and those not holding device partner status may source from authorized distributors, i.e., Ingram/Reddington and their authorized channel partners.</p> <p>III. Buyers may ensure that the authorisation from Microsoft shall not be made a mandatory requirement in bids.</p> <p>IV. If supplies are made as per brands of OEMs who are global device partners, then the serial number of the machine supplied can be used to check the details of the product from the website of the OEM.</p> <p>V. In the case of local device partners of Microsoft, OS details such as the digital key number should be produced with supplies, and the buyer may verify them from Microsoft.</p> <p>VI. In case of other OEMs who are sourcing from authorized distributors of Microsoft, Reddington, or Ingram, a copy of the invoice which contains the relevant serial number of Windows OS shall be submitted with supplies, and the buyer/consignee can verify the same from the OS server website or by telephone, or both.</p> <p>VII. In respect of verification of OS, the consignee shall take necessary steps at the time of acceptance. For device partner machines, buyers can check the Mini PC OEM website to verify the OS by entering the PC's serial number and part code number. For entities that are not device partners and source OS from distributors' networks, they may verify the serial number through the Microsoft website or by telephone, or both.</p> <p>VIII. In case the product offered is with a DOS or Linux operating system, such verification of OS shall not be applicable.</p> <p>IX. Buyer shall request for Windows Hardware Compatibility Certificate for window operating system to ensure the supply hardware is compatible with Windows operating system</p>
3	Requirement of OEM logo	Buyers are advised to note that incorporating a condition stipulating an OEM logo on the motherboard is restrictive and may not be incorporated into the bids.
4	Warranty	<p>I. The buyer may ensure that as soon as supplies are received, a request for a warranty certificate is made, along with logging into the OEM website/call center to verify the certificate.</p> <p>II. The product in GeM marketplace (Direct Purchase &amp; L1 purchase) comes with a minimum standard warranty of one year. In case the seller has standard warranty more than one year, the same may be mentioned in the catalogue (including in the model name) and in such case higher warranty offered shall prevail/supersede the minimum one year warranty.</p>
5	OM related to MII, Local content and MeitY advice on Model technical specifications	Buyers are requested to refer to various OMs pertaining to DPIIT and MeitY, as issued from time to time, while making procurement and follow relevant provisions as applicable.
6	Check points during Acceptance of Supplies	<p>Before generating the Consignee Receipt and Acceptance Certificate (CRAC), the consignee may inspect the system condition and verify that it complies with the agreed specifications and configurations. In the case of a large number of units to be procured, then the buyer may opt for bidding and accordingly stipulate conditions regarding installation, inspection by consignees/inspection agency. Consignees who receive the supplies should be vigilant and should complete checking to ensure that there is no scope for the supply of refurbished products. At the time of receiving supplies, the consignee may adhere to the following to ensure that any discrepancies in supplies can be flagged, taken into account, and reflected while generating the CRAC:</p> <p>I. Packing should be checked properly</p> <p>II. A warranty certificate from the OEM should be insisted upon and checked.</p> <p>III. Instruction manuals and the OS installed should be checked.</p> <p>IV. The machine serial number should also be checked through settings and can be verified from the OEM website. The above points are for guidance, and the buyer/consignee may take steps considered suitable by them for checking at the consignee end before acceptance of systems.</p> <p>V. An escalation matrix for customer grievance redressal shall be insisted upon by the buyer from the seller at the time of delivery.</p>
7	HDD/SSD Storage Retention	Buyer may add their requirement of retention of securely store all Hard Disk Drives (HDDs) or Solid-State Drives (SSDs) used in the Mini PC under ATC clause.
Sellers:		
8	OEM Website Link/Part Number for product verification	The OEM shall share the OEM website link with the buyer at the time of delivery. The offered model details/configuration should be available on their website. A unique device serial number shall also be provided at the time of supply, which is also mentioned on the product. The buyer/consignee shall be able to verify the complete product details, including configuration, through the shared OEM website link.
9	Changing or altering the configuration	Seller must refrain from changing or altering the configuration of the factory pre-loaded machine. The machine should be delivered to the Consignee in its original, factory-approved configuration.
10	Warranty	The seller shall furnish a valid warranty Certificate/Tag from the OEM to the purchaser, guaranteeing the product's coverage under the specified warranty terms. The warranty certificate should be verifiable through the OEM website/customer care center.
11	Compliance of extended producer's responsibility	With effect from 1.4.23, as per the E-waste rules 2022, EPR registration is mandatory for manufacturing entities. Therefore, all OEMs shall hold valid EPR registration, and the registration number should be reflected in the catalog parameter. OEMs shall ensure compliance with all responsibilities as per EPR registration applicable from time to time.
12	Mandatory / Statutory requirements as applicable	OEMs shall have to ensure compliance with the mandatory/statutory requirements as per the Government of India Notifications issued from time to time for hardware and software components, as applicable.

## 2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable

2.3 All GeM Sellers / Service Providers are mandated to ensure compliance with all the applicable laws / acts / rules including but not limited to all Labour Laws such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972 etc. Any non-compliance will be treated as breach of contract and Buyer may take suitable actions as per GeM Contract.
