Dear Deepak Sir,

We are providing a sliding shutter cabinet for 65" IFPD, along with a whiteboard, according to the quality we talked about. One side will be a fixed, prelaminated whiteboard, and the other will be a sliding board made from a high-pressure-laminated sheet.

Specifications as below:

Outer length of frame - 3320 MM.

Outer width of frame - 1047 MM.

Thickness of frame - 210 MM.

A frame having a sheet thickness of 0.8mm. Knock-down construction. (Ease in transportation and installation)

The frame is fitted with a 1.5 mm-thick metal corner. Two boards are fitted, one is movable (985x1628 MM approx.) with a lock and key, and the other board is fixed (788x1580 MM)

The whole system is mounted on the wall using 2mm-thick metal clamps.

The Cost of 65" Sliding Shutter is Rs.8400/-+18% GST Extra

Deliver charges Extra
